ON BLOODGUARD<sup>®</sup> PROTECTION

NANOTEX FRESH<sup>®</sup> minimizes odors and stains caused by unwanted bacteria by repelling microbes from the inside out. Using EPA-registered silver ion technology, NANOTEX FRESH<sup>®</sup> combats the growth of odor-causing microbes. The antimicrobial properties are built in to inhibit the growth of odor causing bacteria that may affect this product. The antimicrobial properties do not protect users or others against bacteria, viruses, germs, or other disease organisms.
