# Exclusive BloodGuard® PLUS Technology

Bimini Bay Outfitters Ltd.® is excited to introduce our exclusive **BloodGuard® PLUS** technology for 2021. **BloodGuard® PLUS** was developed in partnership with **NANOTEX®**, a leading provider of chemical solutions for textiles used in military, medical and consumer applications. **Bimini Bay Outfitters Ltd.** is the first in the market to be able to offer our exclusive **BloodGuard® PLUS** technology, which is bonded to the individual fibers of the fabric, fundamentally transforming through nanotechnology to:

**BloodGuard® PLUS** powered by **NANOTEX®** is the best choice to maintain the life of your performance fishing and outdoor apparel by keeping them **BLOOD** free. Whether **BLOOD** stains are washed off immediately or days later, you will have confidence that **BLOOD** stains will disappear after washing. We stand by our product so much that Bimini Bay Outfitters Ltd.'s **BloodGuard® PLUS** technology is backed with a one-year limited warranty (see below for the full warranty and product registration information).

Bimini Bay Outfitters Ltd.® proudly adds **BloodGuard® PLUS** to our long list of apparel technologies that defines the industry standards in Fishing and Outdoor apparel.
